

SUMMER
PROGRAM
GUIDE 1986

WRUW

BY TOMMY ANGELES & JOE BANKS 1986

MANY THANKS

Thanks

We, the staff of WRUW, would like to thank all listeners who donated to WRUW's Fifth Annual Radio-Telethon in February. Thanks to your support, the telethon was a huge success. Telethon donations comprise up to one third of our annual operating budget.

Money raised during the telethon will go towards the purchase of new records and compact discs for our library and for expansion and improvement of WRUW's facilities. This year, we have renovated our production studios and have purchased a compact disc player. During the summer, we will be renovating Studio A and installing a \$22,000 microwave studio-transmitter link.

MANY THANKS

Thanks to your continued support, WRUW has been able to grow while continuing to provide greater Cleveland with the finest in diverse alternative programming.

Ska (aka "The Blue-Beat", "Rock-steady", "Jamaican Jazz", or "Two-Tone") is the name given to the music, which happens to be the real "roots" of reggae, that was pioneered by Prince Buster in Jamaica in the early 1960's. 11:30 am FALWELL THAT ENDS WELL Heather

Clean up your act by listening to the purest of the Purist standards. Some of the music you will hear here will be Right-eously divine, while the rest will be devilishly out in left field. Friday

2 am STICKY SHEETS M. Mom

Listen to your mom.

7 am LIVE FROM THE VATICAN Doug Stanley

Tasteless, rude, offensive, tacky, vulgar, socially unacceptable, twisted music. The most bizarre mixture of rock and roll you're ever likely to hear. A little overmodulation for a Friday morning.
